CORPORATE COMPETITION

5:00 PM-8:00 PM

Join Junior Achievement for an exciting, technology based stock trading simulation!

This unique and dynamic event is a fun and friendly investment competition supporting youth education in our community. It provides students and adults with the opportunity to experience investing in the stock market firsthand.

Don't miss this exclusive event where teams are issued \$1,000,000 to buy mock stock in fictitious companies. Once the opening bell is rung, the market opens and every 60 seconds is a new trading day! The team with the highest net worth in its stock portfolio at the closing bell WINS!

Proceeds from the JA Stock Market Challenge benefit K-12 students by supporting JA's financial literacy, workforce readiness and entrepreneurship programs throughout the Tri-Valley.
